A NOTE OF THANKS

Please note that blue bins are in place near the Civic Center and Academy Street Extension which allows you to bring ONLY your good used, clean clothing, handbags, belts, shoes, sneakers, blankets, draperies, sheets, towels and clean stuffed animals. The bins have been put in place by the Adirondack Clothing Co. It is revenue from these donated items that has proven to be a wonderful source of income for the stage. The stage committee thanks everyone for your continued support both with your donations and attending the events. Thank you also goes to Calvin Castine for taping our performances. Donations from Posts 912 American Legion, Legion Auxiliary, and Sons of the Legion are appreciated. A special thank you to the RP Village Employees for their help and dedication in making these events possible. Appreciation goes out to everyone who helped with our publicity by allowing us to display posters, in local newspaper articles, write-ups in local church bulletins and Donna Robert for spreading the word on facebook and email. Thanks to Heather Casey and Elaine Cloutier for the art work.

The Samuel de Champlain Center Stage was built in 2009 and made possible with funds received from the New York State Department of Environmental Conservation, Environmental Protection Agency, as well as, many local businesses and organizations that so generously donated funds toward this project.
