Late Fees Waived for Furloughed Federal Employees

Rouses Point, N.Y. – Rouses Point Mayor Thomas Batha announces that the Village Board has agreed to suspend late charges on village utility bills for all furloughed federal employees.

At a Village Board Meeting on January 22, 2019, Mayor Thomas Batha and the Village Board voted to waive utility bill late fees for any Rouses Point residents who are also current government employees affected by the Federal Government Shutdown. This initiative permits furloughed government employees to delay utility payments without incurring a financial penalty. This waiver will remain in effect until one month after the government shutdown ends.

Any federal employees in need of this assistance can pick up a waiver form at the Village Office at 139 Lake Street, Monday – Friday from 7:30am-4pm.
