Residential New Construction Opportunities

IEEP

**Your municipal electric utility has
opportunities and financial incentives
to help improve your home's
energy efficiency!**

Through the New Home Construction program, the IEEP and your municipal electric utility offer rebates. Begin your construction or major remodeling project with energy efficiency as a primary goal. Reduce energy costs and improve the building's comfort level, and do your part to improve the environment for years to come.

Qualifying Measures Worksheet

The IEEP has evaluated and qualified the energy saving measures listed on this page. For the appliance to be eligible it must meet the minimum qualifying standards. For projects up to \$2,500, pre-approval is not required. Projects greater than \$ 2,500 require pre-approval. Please make sure the product has the ENERGY STAR®

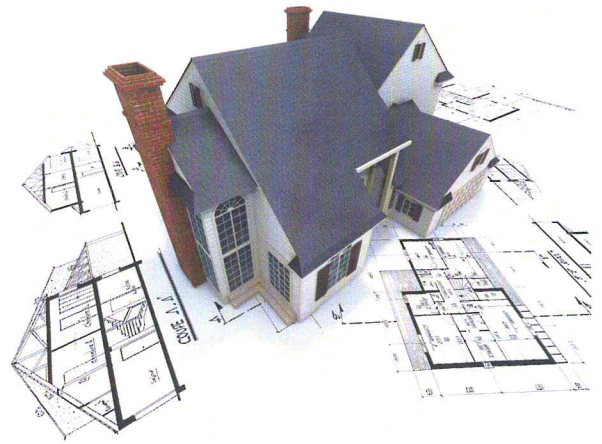

label. To find out more about ENERGY STAR® appliances or to inquire about qualifying products, visit the ENERGY STAR® website: www.energystar.gov.

If you have any questions or you require pre-approval, please contact the IEEP at (800) 263-0960.
