In consideration of my child's participation, I **hereby release and covenant not-to-sue** the Town of Champlain, Town Board of the Town of Champlain, any of their employees, instructors, or agents, **from any and all present and future claims resulting from ordinary negligence on the part of the Town or others** for property damage, personal injury, arising as a result of my child's engaging in or receiving instruction in Town activities or any activities incidental thereto, wherever, whenever, or however the same may occur. I **hereby voluntarily waive any and all claims resulting from ordinary negligence**, both present and future, that may be made by a child, assigns, or me.

Further, I understand that these programs involve certain risks, including but not limited to, neck and spinal injuries, injury to virtually all bones, joints, muscles, and internal organs, and that equipment provided for my child's protection may be inadequate to prevent serious injury. I am allowing my child to participate in this activity with knowledge of the danger involved and hereby agree to accept any and all inherent risks of property damage, or personal injury. In addition, I understand I may not always be there and in the event of an emergency, I hereby give permission for my child to be given emergency first aid treatment and/or to be examined and treated at the nearest medical facility.

I further agree to indemnify and hold harmless the Town of Champlain, Villages of Champlain and Rouses Point, and others listed for any and all claims arising as a result of my child's engaging in or receiving instruction in Town activities or any activities incidental thereto, wherever, whenever, or however the same may occur.
